Dear Kate and Ryan,

Hope my email finds you well and you had a great weekend.

Following our discussion last week, I am pleased to send you a new order for phototherapy masks, please see it attached.

I would also like to inquire if it would be possible for us to receive the Romanian version of the product description for these masks going forward.

I am looking forward to receiving the PI to make the payment, and please note that we will manage the shipping on behalf of our Fedex account.

Please also do not forget to include in the package and on the Invoice the FOC masks according CVM155406.

Please advise once it is available about the package dimension, net and gross weight, HS code and exact pick up address and contact person name.

Have a great day!

All my best regards,
