Hi Philip

Thank you very much.

Please find your proforma invoice attached.

I have added the delivery with Airmail, as it is the most economical method, but it can take a good few weeks, sometimes longer. If you need the sensors sooner, we can offer UPS, this would be an additional £6 (£22 total). Please let me know if you would like me to amend it to UPS or if there are any other changes required.

Our bank details are listed at the bottom of the invoice for when you are happy to proceed, alternatively we can send you a link if you would prefer to make a card payment. For this I would require your full name.

Is Hannah Baker and Sheri Keeble still working with you? If not, I will remove their names from our database.

Thank you and best regards  
Ryan

Thank you very much for your email.

We would be happy to supply you.  
Please can you confirm if we have your company address correct:  
Dive-In Larnaca  
Lordos Seagate Block A,  
Tasos Mitsopoulos Avenue, (Formerly Piale Pasa),  
Larnaca, , 6027, Cyprus

Are we delivering to your billing address? In the past we have sent your orders to a UK address, which we are happy to do, but it would incur the UK tax.

I will await your reply.
