Hi Steve, we have a Q on for 3 x 0310304 Radiant Warmer Ceratherm 600-3 on mobile floor stand. They rang today to say they may not order until December and could the quote stay valid until then? The carriage (pallet) is £207.97. I could say that we cannot guarantee the carriage charge may not change (if the prices for the ceratherm can be held?)

Yes, Ceratherm OK, but carriage may change.
