Hi,

I am just picking this up while David is away.

That is absolutely fine, as I explained to your colleague we are staggering our capital purchases, and this project is not due till December.

Kind regards,

You don't often get email from [kate.griffiths@viamed.co.uk](mailto:kate.griffiths@viamed.co.uk). [Learn why this is important](#)

Good morning,

I am sorry I missed your call this morning. I just need to check with our commercial director whether or not the price of the ceratherm can be held until December (approximately). If we can hold the price, the carriage charge (pallet) may need to change as we have no control over that cost.

I will email again when I have a definite answer.

Thank you for your patience.

Kind regards

Kate Griffiths

Good morning David,

Please see attached quotation as requested.

Please be aware that the lead-time could be 6-8 weeks from placement of an order.

If you choose to order, please could the reference **QVM158679** be mentioned on the PO?

Many thanks.
