Good morning,

Just a quick email to ask if proforma invoice MVM155692 is still required?

It expires on April 18th, at which time I will delete it.

I can of course issue another proforma invoice at any time.

Kind regards

Kate Griffiths

Good afternoon Sabrina,

Thank you for your order.

Please see attached proforma invoice as discussed with Catrin.

Please let me know if you require any changes to be made.

The stock of these is very low, so there may be a lead time.

Many thanks.

Kind regards

Prezada Catrin,

Agradeço o seu contato e a preocupação demonstrada.

Informo que, até o momento, não houve necessidade de substituição do sensor UFO 130-2. No entanto, acredito que em breve precisarei adquirir um novo.

Aproveito para ressaltar que não tenho nenhuma queixa em relação ao produto. A falta de necessidade de uma nova aquisição até o momento é o único motivo pelo qual não realizei novas compras.

Dear Sabrina,

As we continuously strive to improve our products and service, we'd appreciate your feedback. We've noticed that it has been a while since your last purchase of the UFO 130-2 Oxygen Sensor, and we wanted to get in touch to see if there's any way we can assist you.

Could you kindly let us know if there has been a change in your requirements, if you've found an alternative product that better meets your needs, or if you no longer operate the equipment that uses this sensor?

Should there be anything that may have caused a delay, or if there's something more we can do to assist you, we're here to help.

If you still have a requirement for the UFO 130-2 Oxygen Sensor, could you please share any upcoming needs you may have?

Thank you for your time, and we look forward to hearing from you soon.
