Hi Alastair,

Thank you for getting back to us.

I've reviewed the batch numbers from the images you provided and checked them against our internal stock tracking records. Based on this, I do not believe the sensors in question originated from our stock. Please see images below of the box labels on stock sent by us.

Medlinket Box Label:

Are there any additional barcoding labels which we have added to our stock like this?

Viamed Barcode Label:

For your reference, your July orders were as follows:

- **10 x 4630030 Single Samples**
Batch Number: LA20241013201
Manufacture Date: 2024-10-13
Expiry Date: 2025-04-13 (18 months after manufacture)
- **Order 1355539762 – 2 x 4610030 Box of 10 BIS Sensors**
Batch Number: LA20250125207
Manufacture Date: 2025-01-25

If you require any further clarification, please feel free to get in touch.
Kind regards

Catrin Hollings
