Hi Sabine

Thank you for your order.

The items are available from stock, I have added a shipping date for the last week in October, but we can ship whenever it suits you.

I have added the VN202 with Manual off, as this is the model you have had most recently, please let me know if you would prefer the Auto off version.

Prepayment is required, so please find your proforma invoice attached.

Please let me know if you have any questions.

Kind regards

Ryan
