Hi Sara

Thank you very much for your email.

I believe the sensor you need is the R-22VAN and we have them available from stock.

R-22VAN = GBP £38

Best regards

Ryan

Hi there Ryan

Hope you are well and have had a super weekend

I have a question!

The local commercial company have a SAT Systems CO2000 R-MkII analyser and asking us to the order a sensor for it.

The sensor is marked D-05FU

I have attached a photo for you

Is this something that you could help me with?

I really hope so!

Thanks Ryan
