Hi Julius,

Thank you for your email.

The pricing structure includes quantity breaks, these are listed under the “**Break**” header on the pricing table. The number shown under each break indicates the **minimum quantity** required to qualify for that particular price tier.

Reference	Description	Single Price	Break 1	Break 2	Break 3
PRICE BREAKS			2	3	11
0021013 *	Posey Sensor Wraps Model 6554 Box of 12 Also available in case of 48 boxes	£16.20	£13.15	£12.10	£11.75

I hope this makes sense.

Kind regards

Hi Julius,

My sincere apologies I have not got back to you sooner, your email arrived outside of my working hours and I missed my out-of-office response.

I can confirm that the Posey Wraps are sold as single boxes of 12 wraps (part number 0021013) or in the larger, already pre-packaged cases of 48 boxes of 12 wraps or 96 boxes of 12 wraps.

You are more than welcome to order as many single boxes as you wish, the cases come pre-boxed by Posey.

Should you wish to proceed with the 10 x single boxes, please let me know and I shall provide a proforma invoice.

Apologies again for the delay in getting back to you.

Thanks

Kind regards

Hi Catrin,

I hope this email finds you well.

We're looking to order some more Posey wraps, as we find them really useful for our service.

Could we please order 10 boxes? I noticed on the website it only seems possible to select either 1 box or 498 boxes, so I just wanted to check with you directly.

Please could you confirm?

Many thanks,

Julius Patrick
