

## **Viamed Global Emissions Reduction Target**

Viamed Ltd has committed to achieving net zero emissions across all scopes.

Our targets are:

- **Scope 1 and Scope 2:**  
100% reduction or offsetting by **2030**
- **Scope 3:**  
Net zero by **2050**, with offsetting beginning from 2024 and full offsetting by **2030**, alongside active emissions reduction

These targets apply to all of Viamed's operations, as we do not have a parent company or international subsidiaries.
