Good morning Daniel,

Thank you for your email.

We would be happy to send you a free of charge sample of the regular EyeMax, also the regular NeoMask. Please see leaflets and price lists attached.

Please could I ask for your delivery and invoice addresses, so I can create an account for you and issue the samples?

Many thanks.

Kind regards

Subject: EyeMax 2 Phototherapy Masks

To: <[info@viamed.co.uk](mailto:info@viamed.co.uk)>

Good evening,

I am interested in your phototherapy eye masks. Specifically the regular size:

**Part Number: 1114005**

Size: Regular

Occipital Head Circumference 32 - 38 cm (12.6" - 14.9")

Pack of 20

Colour code: Blue

REF: R300P01

Would it be possible to send a single, sample mask to our address before we commit to a larger order? We are not a medical company and would use the masks for an upcoming art piece in London (not for use on real children FYI), if they look good, we would need over 300 masks at least.

Let me know if that's OK with you.

All the best,

Daniel
