Hi Ryan,

Can we please proceed with this quotation, and can you advise on lead time?

Regards

Philip

Hi Philip

Thanks for your call earlier today.

1 nr. GOEL-381

Our R-17VAN would be a suitable replacement = GBP £50 each EXW

[R-17VAN Oxygen Sensor \(0110217\) – Vandagraph](#)

1 nr. SAT Systems DO5

Our R-22VAN would be a suitable replacement = GBP £50 each EXW

[R-22VAN Oxygen Sensor \(0110232\) – Vandagraph](#)

1 nr. Inmatec 03-909

I am sorry, I misheard you on the phone and thought you said Envitec. Unfortunately I am not familiar with the Inmatec 03-909. If you happen to have a picture of the sensor you wish to replace, we may be able to help you.

Carriage costs would be GBP £14 for 2-3 sensors.

If you want to proceed with an order we can send you a proforma invoice or you can place your order on our website.

Kind regards

Ryan
