Dear Aqib

May I ask your invoice not to mention PNEUMOVENT, instead just ALEXANDER ALCANTARA ONLY? IF you put the company name FIRST on the waybill instead of Alex, being as the consignee himself only as this is only for personal use and not for sale. That way, this will be released by the courier company without holding and not violating customs regulations.

I hope you can give me the waybill draft and Invoice/pl before you send out.

Kindly send your USD bank details so I can prepare and remit the payment.

Thanks and best regards,
