Our problem was with DHL, not UPS. We prefer UPS and FedEx.

Dear Heron,

Thank you for your email. Please find attached your quotation for 1x UFO 130-2 Oxygen Sensor. Our courier is UPS, which I understand have encountered problems when trying to deliver to you in the past, therefore I have processed your quote under EXW terms, in order for you to arrange your own courier service.

If you would like to proceed to payment via PayPal, please ensure the correct currency matching your quotation is selected from the dropdown menu.

If you have any questions or would like me to make any changes to your quotation, please let me know.

Kind regards
