Hi,

Would it please be possible to have a quote for the following part numbers:

0330213 – O-RING THICK

0330214 – O-RING THIN

Would it also be possible to have a digital copy of the service procedure for the TT480, we where given these upon completion of the training but they have since been misplaced.

Kind regards,

[Owen Daniels](#)[Medical Engineering Technician](#)[Medical Electronics](#)
