Good morning Beverley,

That is no problem at all. Do you require an official quotation? If so, how many do you require please? I have asked our commercial director for an approximate lead time.

Kind regards

Good afternoon Bev,

Thank you for your email.

Part number 0121196 is a non stock item. The price is £65.90 each.

We do have **in stock alternative** Viamed versions -

Part number 0121181 - Viamed V mount pole clamp - small (clamping width 14 - 25mm) at £37.50 each and part number 0121182 - Viamed V mount pole clamp - large (clamping width: 16 - 40mm) at £40.10 each.

The prices mentioned are excluding VAT. Carriage would be a maximum of £12 depending upon how many are required. If these are purchased with any oxygen sensor that you might need, then the carriage would be free.

Kind regards
