Dear Sir,

I hope this email finds you well?
This is mavis from Afrimed Medical Supplies.

We have a request for quotation for **40pcs of Ultrasonic oxygen analyzer**.
Kindly find attached the specification. I have filled it and need your confirmation as well.

Also do provide me with

1. price quotation
2. Shipment charges to Mozambique(if possible)
3. Estimated shipment weight and volume
4. HS code
5. Sample COA
6. Filled authorization form (attached)
7. A letter showing Maxtec authorized you as their distributor
8. Sample certificate of calibration

Also the clients would want COA, will there be any extra charges for that?
In addition the client would want a certificate of calibration, will it also come at an extra cost?

We look forward to receiving your prompt response.

with regards
