Hi Paul / Mathew

Just checking in to see if you wish to proceed further with either Max-80i or I-103 sensor types?

Kind regards

Steve

Subject: Lead-free Oxygen Sensor pricing offer

Dear Paul

Regarding the lead-free sensor that we discussed, I can offer the following price breaks.:

1 - 99 sensors: Part number: 0110750, Oxygen sensor I-103	£63.80 per sensor, EXW Viamed, Excl. VAT
100+ sensors: Part number: 0110750, Oxygen sensor I-103	£60.60 per sensor, EXW Viamed, Excl. VAT

This sensor is more expensive than your current sensor, but it is lead-free and has a much longer 'in use' life.
