

Ref: SRS69261

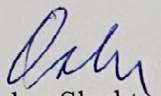

To attn. Kate Griffiths
Viamed Ltd.

Prague, October 9th., 2025

Dear Kate,

after our E-mailing, we are sending you to back **1x R-22A sensor, s/n 278828 G5.**
The sensor doesn't work, it isn't possible to calibrate it. I would like to ask you for replacement under warranty, if it is possible.

Thanks so much,
best regards

Oskar Slechta
