Thank you for your reply.

The price on the website is for UK customers.

I would be happy to provide a proforma invoice, **I would need your delivery and invoice addresses** in order to set up an account for you.

Kind regards

Hai

The price shows in your website is less than the \$922.60.

Kindly provide your best price along with the lowest possible courier charges.

If everything is in order, we will request you to send us the Proforma Invoice.

Best Regards,

**Eng. Naveen**

Good morning,

Thank you for your enquiry via our website.

The price of part number 1410000 - Foetal Heart Simulator model V1000 is \$922.60 each EXW.

If you would like a quotation detailing carriage charges, bank charges and insurance, **I would need your delivery and invoice addresses** in order to set up an account for you.

**Unfortunately we do not have any tester for the TOCO sensor.**

Kind regards
