To Whom it may Concern

My name is Lewis Brown, and I am a Verification Engineer at Huntleigh Healthcare. I am currently seeking to procure two (2) V1000 Foetal Heart Rate Simulators. However, I have observed that current stock availability appears to be limited to a single unit.

Could you kindly advise whether it would be possible to obtain a quotation for two units, and provide any relevant information regarding availability or lead times?

I appreciate your assistance and look forward to your response.

Yours sincerely,
Lewis Brown
