Hello

Good afternoon

Thank you for your order, 135565463 .

I am currentley processing this now but do need to advise you we currently have changed the supplier of our BIS EEG SENSORS so the part you require **4610010** is no longer available.

I have attached some information below for you on the new supplier ones.

The original version, **4610010** was priced at **£265.00 for 25** (£10.60 each)

The new manufacturer supplier, **4610030**, is priced at **£90.10 for 10** (£9.01 each)

So a saving of £1.59 per sensor.

This change has been made to ensure a **consistent supply** and to provide a **more cost-effective solution**, whilst maintaining the quality and compatibility you expect. Medlinket also offers a wider range of EEG sensor variants and sensor-to-monitor adapter cables.

Please advise if your happy for us to proceed with part number 4310030?

Kind Regards
