Dear Alison,

I have received confirmation from our commercial director that our part number 0320453 (Maxtec Blender Bracket - Compact Wall Mount) can be used:

The price for part number 0320453 is £58.50 each plus VAT and carriage

There is also longer slot version - part number 0320454 (Maxtec Blender Bracket - Wall Mount) which would also be suitable:

The price for part number 0320454 is £100.50 plus VAT and carriage.

Please can you confirm which part number you would prefer and if it is still 8 units you would like me to quote?

Kind regards

Dear Alison,

Thank you for your reply. I have forwarded this information to our sales director. We are just looking into which of our wall mounts would be best suited to those blender models. I hope to have an answer for you soon.
