Dear Colleague,

As per our telephone conversation of this afternoon please find below a screen print of our purchase order for inserts for the Body Jet Evo Liposuction Machine that we have on loan here at Spire Leicester.

We are in need of the inserts as soon as possible so please do confirm safe receipt of the order and confirm the earliest delivery date.

Many thanks for your help with our request.

Tom – As our machine is out for repair if the machine was to come back before we have used all of the inserts would you kindly reimburse us with applicators for our old machine?

Thanks all.

Angie

I was after some advice really regarding the loan body jet machine. We are now in need of some more inserts as we have used the box that you had sent with the machine. Would it be possible for you to send us another box. Obviously if our machine is back with us I the machine. If you could give myself or Angie a call back to advise I would be very grateful.

Thank you
