Hello Catrin,

I've been out of circulation for a while due to health issues, but I'm doing a lot better now.

In the meantime, Vogelkers and Benelux-Healthcare have merged (same address, but new VAT number BE0697.881.247).

Could you please quote me for 15 UFO-130-2 O2 sensors (incl. shipment to [Beemdenstraat 38, 2340 Beerse](#)) ?

Thanks,

Dear Philip,

As we continuously strive to improve our products and service, we'd appreciate your feedback. We've noticed that it has been a while since your last purchase of the UFO 130-2 Oxygen Sensor, and we wanted to get in touch to see if there's any way we can assist you.

Could you kindly let us know if there has been a change in your requirements, if you've found an alternative product that better meets your needs, or if you no longer operate the equipment that uses this sensor?

Should there be anything that may have caused a delay, or if there's something more we can do to assist you, we're here to help.

If you still have a requirement for the UFO 130-2 Oxygen Sensor, could you please share any upcoming needs you may have?

Thank you for your time, and we look forward to hearing from you soon.
