Hi Aqib

Thank you for chasing this.

I only just got confirmation from my manager yesterday and she has requested the following - MaxO2 +AE :

**x7 for the Qmc Campus**

**x3 for the City campus**

Is it possible to re-send x2 separate quotes for each campus, with a longer validity period as I now need to get commissioning approval from our Clinical engineering before I can place an order? Hopefully it won't take long but please can you also email me a completed PAQ to speed things along?

Many thanks in advance

Sherin
