Dear Rachel,

Thank you for your reply. The replacement Oxygen Sensor for the MAXO2 ME Oxygen Monitor would be the MAX-550E (part number 0110452). We currently have these available in stock and they are priced as follows:

**1 unit - £112.10**

2 units - £109.40

3-10 units - £106.60

11+ units - £101.00

Delivery would take approximately 1-3 working days from receipt of payment.

If you would like to place an order, please let me know your order number and send a copy of your VAT exemption certificate if applicable and I will get this processed for you.

Kind regards
