To: zoey.teal@viamed.co.uk <zoey.teal@viamed.co.uk>

Dear Zoey,

I would like to raise an issue of a O2 cell we ordered and supplied to a customer which they are now saying does not work, it was a

0110081 Teledyne Oxygen Sencor UFO 130-2.

I have asked the customer to return it to us and we will test it.

I would also like to order three more units of the same product. Delivered to the address below, If you would like to call me when the order is ready for dispatch I would like to pay by Credit card. Thank you.

When I get the O2 cell back the customer has said does not work I will test it and send you the results.

regards
