Dear Kate,

The inquiry is still valid. Our customer asks us still about the **production date/life time of sensor**.

Do you have them on the stock? Could you please inform me about the date? I think that after this information we will be able to send you our order..

Many thanks

Best regards

Katerina

Good afternoon,

Please could I ask if quotation QVM152842 is still required?

It expires on November 16th, at which time I will delete it.

I can of course issue another at any time.

Kind regards

Kate Griffiths

Good afternoon Katerina,

Thank you for your email.

Please see attached quotation, valid for 30 days.

We are expecting more stock to become available in November. I am unable to give you production dates as yet.

Many thanks.

Dear Sir/Madam,

I would like to ask your for the quotation for following sensor with possible discount and delivery time.

I also need to know the **production date**.

R-21A Sensor O2 automotive, 3pin Molex, 7-13 mV – 50 pcs

Our customer always takes original sensors (they didnt want/accept alternative R22AVG).

Best regards

Katerina

Thank you very much in advance
