Good afternoon Emil.

Thank you for your email. Ryan has been away at Medica, I think that may be why he missed your email.

There are two types of MAX-250K as follows:

The price of part number 0110433 - MAX-250K with DC is €82.70 each EXW. We currently have some in stock.

The price of part number 0110451 - MAX-250K with panduit €141.50 each EXW. **This is a non stock item, and I would need to double check the price with a director.**

Please let me know if you would like any further assistance.

Kind regards
