Dear Mr Swaine,

I hope you are doing well.

My name is Nagihan, I'm the responsible person for international purchases of Oryamedikal.

In line with your discussion with Mr. Zor in Medical, we would like to request sensors from City Technology branded for Nitric Oxide and Nitrogen Dioxide.

These sensors are frequently used for our Nitric Oxide monitors.

We kindly request a price quotation for these sensors. Could you please share your list prices? Afterwards, we can inform you of the quantity we require.

Have a nice day.
