Hi Kate,

The second line does need to be December, if I wait until January I will be on a production hold.

I will check with my accounts on the over due invoices.

Thank you
Harroop

Hi Harroop,

I will make the changes tomorrow and email amended confirmations to you. **Line 2 shows the date of 3.12.25, I assume it should say January 2026.**

We are unable to ship your order at the moment as your account is on hold due to invoicing queries. For further information about the invoices, please contact helen.lamb@viamed.co.uk - our accounts director. I can see that Helen has been liaising with your accounts department.

Many thanks.

Good afternoon Harroop,

Thank you for your PO 421012200.

I am not quite sure how to process it. The same date is against each line. Is this order for 50 x 0110432 plus carriage each month? If so, is the first month December 2025 and the last month July 2026 please?
