Dear Chirada,

I am writing to follow up on your enquiry regarding the V1000 Foetal Heart Simulator (part number 1410000). As previously confirmed by my colleague Kate, the unit price is \$922.60 each EXW. The device would be shipped from the United Kingdom, and once we receive your invoice and delivery addresses, we can provide a proforma invoice including carriage, bank charges, and insurance.

Please let me know if you require any further details or supporting documentation to assist you in proceeding with this order.

If your enquiry is no longer relevant or required, kindly advise so that we may update our records accordingly.

I look forward to your reply.

Good afternoon,

Thank you for your email.

Yes, the device would be shipped from the UK. I used USD on the proforma invoice due to your company being in Thailand.

Kind regards

Dear Sir,

We are Chumroen Medical Products Co., Ltd. in Thailand. Since we are the importer and distributor of Fetal Doppler in Thai market. We would like to use

your V1000 Fortal Heart Simulator with out products. Therefore, please advise your distributor in Thailand. However, if you have no distributor in our country, please let us know. Then, we would ask for the price and can you supply it to us.

Thank you
