Dear Piotr

Thank you. These are now the only R-47V sensors we have at the moment, in case they do not get back to you today, I'm away for the next couple of days, but I am monitoring my emails on an evening, so there may be a small delay in replying.  
Kind Regards

Dear Cathy,

Apologies. I had too much on my head for the last few days and completely forgot to reply to you. Apologies once again.

Regarding the reserved stock of 130 sensors, the customer confirmed to me that she will get back to me in the next 2 hours if they need those sensors and how many.

Regarding my order please go ahead.

Thank you for your patience!

Pozdrawiam serdecznie / Best regards,
