Good afternoon Kate,

That is the serial number stated on the back of the unit. I don't see any other number that could be a serial number on the device.

Thank you for your help.

Kind regards,

You don't often get email from [kate.griffiths@viamed.co.uk](mailto:kate.griffiths@viamed.co.uk). [Learn why this is important](#)

This message originated from outside of NHS.net Connect. Please do not click links or open attachments unless you recognise the sender and know the content is safe.

Good afternoon Michael,

Thank you for your email.

We would be happy to service your device. I am unable to locate the serial number TE00000023 on our system. Do you have another s/n? Or perhaps it wasn't purchased from us - which is not a problem.

I can then advise you further.

Many thanks.

Kind regards

Good afternoon,

We have a MAXBlend High Flow (S/N: TE00000023) that is due for service. Is this something that we can send off to you to be inspected and serviced?

Kind regards,
