Message:

My message is relating to the following product :

Medical Oxygen Sensor , REF 0110040

Manufacturing Date : 2025 / 03 / 01

Batch No. V108487

We have discovered that sensors with this particular batch number
there is a considerable leak coming from where you attach the
electrical cable into the sensor.

We have have this issue about 4/5 times now.

Thank You

Peter Moore
