Thank you for your email,

Do you require a quotation showing the UPS charge? The weights and dimensions would be 36 x 36 x 36 and 3 kg. Or do you have your own UPS account?

I have added a note that if you proceed you need a copy of the invoice and packing list (mentioning Honeywell) before we ship.

Kind regards

Hi Mohammed,

Please could I check if you need a quotation for the **50 x pairs or the singles?** I can see that you have previously bought the singles. (Sorry, I said proforma invoice previously).

Whether they are singles or pairs will affect the carriage charge.

Many thanks.
