Dear Angelique

Thank you for your recent order.

I wanted to let you know that the product you ordered, R-33S1 O2 sensors, are currently out of stock. We had expected our latest batch to have arrived before now, but the manufacturer has encountered delays, and we are still waiting for a confirmed delivery date.

I appreciate that this is not ideal and I'm very sorry for the inconvenience. As soon as we receive the shipment, your order will be prioritised for immediate dispatch.

If you would prefer to cancel the order or would like to review alternative options, please let me know and I will be happy to assist. Otherwise, I will keep you updated as soon as we have more information.

Thank you for your patience and understanding.

Kind regards  
Ryan
