Please always mention the correct PO number, on all documents.

We understand that all products purchased comply with EU legal requirements. Particularly, we remind suppliers of the deadline August 18, 2024, for the compliance with Regulation (EU) 2023/1542 on batteries and waste batteries. This includes, but is not limited to, the prohibition on portable batteries containing more than 0.01% by weight of lead, the requirement for clear labelling and markings, and adherence to sustainability and safety criteria. Should any products fail to comply, the supplier is obligated to ensure a cost-free return and to reimburse us for all associated return expenses.
