Good Afternoon Kate.

Having spoken to the wards that require the item, we will accept the carriage charge of £10.00 per each P/O

We will endeavour to place a large single order to reduce the carriage charge on our next order.

Kind Regards

Good afternoon Ratilal,

Thank you for your email.

Our system does not work in that way. The EyeMax range always has a carriage charge: 1 pack - £8, 2-4 packs - £10 and 5 or more packs - £12.

Oxygen sensors have free carriage, as do the Posey sensor wraps (0021013/0021014).

Kind regards

What is the minimum order value to be not charged a carriage charge.

As you are aware most NHS Trust are trying to reduce cost, and cost upto £12 per P/O would not be cost effective for us.

Good afternoon,

Thank you for your purchase orders **363038184** and **363038183**.

Please could I ask if you accept the carriage charge of £10 for each PO?

**If it helps, I could add a note to your account to say that carriage charges of up to £12 are accepted for future orders?**

Many thanks.

Kind regards
