Hi Kate, great to hear from you!

Quick note about your new shipment:

- Order: 24092584KG2
- UPS Tracking: **1Z9W96386878099878**

If UPS sends any request/exception notice, could you please just **forward it here?** I'll handle customs immediately on my side to keep the **parcel moving and avoid any return**. Your help last time really made things smoother — thank you!

If you already have any UPS confirmation, feel free to drop it in this thread as well.

Many thanks,
Alexey
