Hello Kate,

Sorry for my late reply. Half of the office is out sick, vomiting and feverish. I have a litter of 12-week-old corgi at home, so I have plenty to do, but we'll manage everything. I can replace everyone.

Please add the attached to our existing order and send it via UPS. Standard shipping is fine, no need for express. Our customer was raving about how urgent it was, but I haven't seen the order yet, so he can rave at home.
