Hi Catrin

Thank you for your email. Would it be possible to have 10 paediatric BIS sensors please to allow our Anaesthetists to complete a trial? Do you provide any training on the use of these?

Merry Christmas

Kind Regards

Ali Chester

Hey Alison,

Lovely to hear from you, and Merry Christmas.

Yes, we can absolutely supply the Paediatric BIS sensors. We are currently awaiting stock, but I will happily put a sample order together for you.
