Hi Daniel,

Sorry for the late reply, have been tied up with patients all day.

We will just keep the five of each for the moment

Could I order some of the green lids for the collection units though?

Thanks

Davina

Kind regards,

Davina Saunders

Good Morning Davina,

I hope all is well.

I have just been informed by the warehouse that the cannulas are actually packaged in boxes of 5 not 20 as previously thought. Would you still like 20 to keep with the order of 20 or reduced this?

Kind regards

Dan

Hi Davina,

These are in the final step of the testing phase for CE marking. I wouldn't like to say how long this will be as in my experience with the disposable cannulas it can vary greatly.

If you can let me know which size cannula Dr Morgan tends to use then I can place an order for you.

Kind regards

Daniel
