Dear Aqib

I hope you are well and have a successful start to the new year.

As with the previous order, we need to recharge our existing oxygen sensors, so please send us your quote for a total of 30 sensors (15 R-22Vi sensors and 15 R-47V sensors). Also, the shipping address will be Amsterdam as before.

Will you be at WHX Dubai in February? If yes, this will be a good choice. We can give sensors at the exhibition and carry them by ourselves.

We look forward to hearing from you.

Best Regards,

Dr. Mahdi Haghbin
