⚠ Caution: External sender

Dear Dr Hristova,

Thank you for your email. I can confirm the price breaks for the R-17MED Oxygen Sensor (part number 0110017) are as follows:

- 1 unit – £54.40
- 2 units – £53.00
- 3–10 units – £51.70
- 11+ units – £50.40

The above prices do not include VAT. Carriage is free of charge on this item.

The sensor is currently in stock and can be dispatched within 1–3 working days.

If you require any further information, please do not hesitate to contact me.

Kind regards

Subject: Oxygen Sensor R-17MED

To: enquiries@viamed.co.uk <enquiries@viamed.co.uk>

Dear Viamed Team,

I would need to order two oxygen sensors R-17MED. The last time I have ordered was in 2019 and the price was £36. I have checked your website and it seems that the price is £54.40. Is that the price for universities as well? We are VAT exempt and the items are for medical research.

Thank you very much in advance.

Kind Regards,
