I need to pass on a message from our Accounts Director. She says that we have had some issues receiving money in from Iraq. Barclays carry out additional checks and documentation may be required. Due to this, we require payment by **PayPal** (6% fee will be added to proforma invoice) or I could send you an invoice to pay by a system called **Square** - this is a way of paying by card. Please let me know which you prefer.

Hello Kate,

If I understand correctly, we can pay using our **master/visa** card if we go with **(Square)** correct?

If so, please prepare the invoice accordingly

Hope to hear from you soon

Best regards
