Yes, I'm aware about alternative, however my customer insists on "original" ones.
Kind regards,
Aleh

Thank you Aleh,

Please see attached proforma invoice, valid for 30 days. I have used the carriage charge for BOXED sensors.

I have just realised we have a problem shipping your 4 x 4310503 Flowsensor SpiroQuant H as this was a combined shipment and you only paid €3.31 carriage for it (the extra to have it shipped with another order). **Our accounts department say we could add the shipping cost difference to this new order if that is acceptable to you?**

I do not know what the cost will be yet, I need to wait for a colleague tomorrow.

Kind regards

Kate Griffiths

Dear Kate,

You can just add the shipping charge to new order. Not to loose time, I would ask you to ship the SpiroQuant H now, anyway I will pay the additional amount.

Kind regards,

Aleh
