Dear Kaan,

Thank you for your reply.

Please find attached the datasheet for the OOM113 Oxygen Sensor. This sensor is a cost-effective alternative to the MOX-3. However, we are also able to supply the MOX-3 sensor itself (our part number: 0110503).

The lead time for part number 0110503 is a shorter 2–3 weeks, and our distributor price for an order of 200 units would be £41.90 per unit, plus VAT. The warranty for this sensor is 13 months from shipping.

If you would like me to provide a separate quote for the MOX-3, please let me know and I would be happy to prepare this for you.

Kind regards,

Kind regards
