Ups! Sorry  
Can we pay as usual?  
I believe it was by VISA card  
I don't really know Square, but I don't mind to order it by this method if you give me the instructions

However I will add a sensor for this analyser Tek-OX due to it isn't sent yet  
Please can you add it to the proforma invoice to order just a single payment for both items  
Thanks in advance  
Best Regards
